FEMININE FLORALS, GRAPHIC PRINTS AND A CELEBRATION OF COLOUR

Garden variety

Foliage and flowers move from the garden to create decorative details and inspired prints.

All out colour

Blocking is out, top-to-toe brights are in – pile on the colour all in one go!

Urban art

Bold patterns and graphics give a sense of the new season straight-from the streets.

into the garden

*Vintage or grunge inspired, printed or
EMBELLISHED; this season's FLOWER
motifs bloomed everywhere on the runway*
